FootprintIQ — Digital Footprint Investigation Report

Investigation: **FootprintIQ Security Audit** (INV-20261110-1506F7) | Generated: 2026-11-10 16:08:54 UTC

1. Executive Summary & Exposure Score

This digital footprint investigation and vulnerability assessment was conducted against authorized laboratory assets. The overall target exposure score is established at **0.0 / 100 (Minimal Exposure)**. A total of **0** vulnerability observations were detected and correlated across multiple scanner engines.

Metric	Value	Metric	Value
Overall Exposure Score	**0.0 / 100**	**Critical Findings**	**0**
Risk Classification	**Minimal**	**High Findings**	**0**
Total Findings	**0**	**Medium Findings**	**0**
Authorized Targets	**0**	**Low & Informational**	**0**

2. Authorized Scope & Target Baseline

Target Address	Type	Scope / Designation	Permitted Profiles
192.168.56.111	ipv4	Metasploitable2 Host-Only Lab	lab-basic

3. Correlated Vulnerability Findings

No vulnerabilities recorded for this scope.

4. Evidence Management & Cryptographic Integrity
